

Who loves the levy?

Survey of 252
People Management readers,
December 2018-January 2019

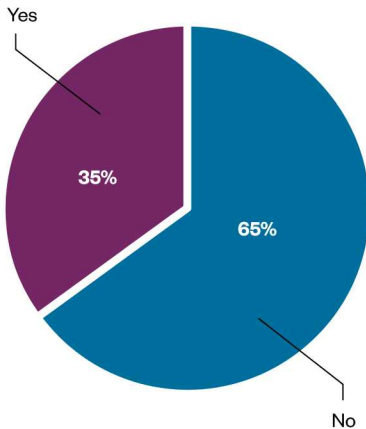

1. Have you spent all the funds in your digital account from the first round of levy taxation in 2017?

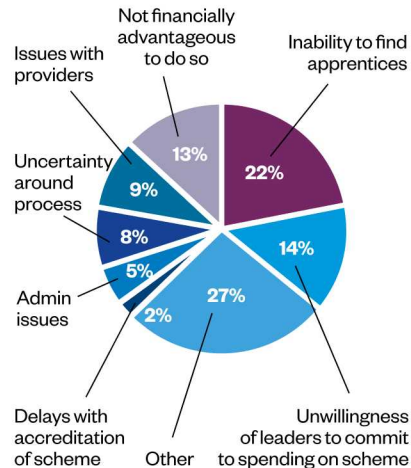

2. How much of the levy will you spend on training for existing employees who were not previously (or are not currently) apprentices?

3. Have you spent any of your levy funds on MBAs or other management-level training?

4. What is the main reason for not spending all/some of your levy funds?

5. If you were going through the process again, which of the following would you do differently?
